CANADA'S WELCOME.

Hail daughter of our peerless Queen !
 Hail Princess of most noble mien !
 Thrice welcome where the golden sheen
 Its radiance casts o'er a'.
 From North to South, from East to West,
 One feeling throbs in every breast
 We shout the word that suits it best,
 We shout the word that suits it best,
 Hurrah, Hurrah, Hurrah !

Hail noble Son of Scottish blood !
 Whose hero fathers nobly stood,
 Who pour'd their life stream in a flood
 And made their foes to fa'.
 Victors on many a well fought field,
 Cleaving the dauntless warrior's shield,
 Who bravely died but scorn'd to yield,
 Who bravely died but scorn'd to yield,
 Hurrah, Hurrah, Hurrah !

We hail thee ! not as chieftain now
 With helmet on thine honour'd brow,
 But deck'd with man-hood's emblems true,
 Viceregal honours a'
 The rank and state which these confer
 Will be alike enjoy'd by her
 Whose birthright 'tis our hearts to stir,
 Whose birthright 'tis our hearts to stir
 Hurrah, Hurrah, Hurrah !

Hail England's Princess, queenly, fair !
 Hail Scotia's son the Campbell's heir !
 With cannon's boom we rend the air
 In welcome to ye twa'.
 Thrice welcome to the boundless West,
 May you with every blessing blest
 Still prompt the shout with keener zest,
 Still prompt the shout with keener zest,
 Hurrah, Hurrah, Hurrah !

As the procession passes up Lorne Street to take their places in their
 carriages, at Front Street, the children will sing

RULE BRITANNIA.

1. When Britain first at Heaven's command
 Arose from out the azure main,
 This was the charter, the charter of the land
 And guardian angels sang the strain.

CHORUS.

Rule Britannia ! Britannia rule the waves,
 Britons never shall be slaves.

2. The nations not so blest as she
 Shall in their turn to tyrants bend,
 While thou shalt flourish, great and free,
 And to the weak protection lend.

CHORUS.

3. Still more majestic shalt thou rise
 Triumphant from each foreign stroke,
 As the loud blast that rends the skies
 Serves but to root thy native oak.

CHORUS.

4. To thee belongs the rural reign,
 Thy cities shall with commerce shine,
 And far across the spreading main
 Lands now unknown shall yet be thine.

CHORUS.

MAY IT PLEASE YOUR EXCELLENCY :

The Mayor and Aldermen of the City of Toronto, on their own behalf, and representing the Institutions and Societies, as well as the Citizens at large, beg respectfully to address to your Excellency and your Royal Highness a right hearty welcome to the Capital of the Province of Ontario.

The inhabitants of this City, with truly loyal sentiments and earnest gratification, greet your Excellency as the representative of Her Most Gracious Majesty the Queen, and as Governor-General of the Dominion of Canada.

Canadians have observed with pride and satisfaction the deep interest the Queen has always taken in the welfare of this part of the Empire, in sending able and efficient administrators to preside over its destinies.

The high personal consideration of Her Majesty, heretofore manifested in permitting, from time to time, Princes of the Royal House to visit this country, is now more strikingly exemplified in the prolonged residence in our midst of Her Royal Highness the Princess Louise.

This indication of our Sovereign's good-will is, we are fully warranted in saying, enthusiastically appreciated by the people of the whole Dominion, and by none more than by Her Majesty's ever loyal and faithful subjects of the Queen City of the West.
